

The Sanctuary Wildlife Awards were instituted in the year 2000 to recognise and draw national attention to the contribution of individuals working for the protection of wildlife and natural habitats in India.

Each year, we invite nominations and entries from *Sanctuary* readers, and the wider on-ground and online network of supporters, writers and photographers, as we search for the best and brightest in India's biodiversity conservation canvas.

Since its inception in 2000, the Sanctuary Wildlife Awards have unearthed and spotlighted the inspirational work of thousands of quiet Earth Heroes across the country. After a grueling selection process, winners from all walks of life are selected as the recipients of one of eight prestigious titles: The Lifetime Service Award, Five Wildlife Service Award, A Green Teacher Award, and The Young Naturalist Award.

The Sanctuary Wildlife Service Awards 2020 will be held as a virtual ceremony screened worldwide on Youtube live.
