

Instituted in the year 2000, the Sanctuary Wildlife Awards recognise individuals working for the protection of wildlife and natural habitats in India. In our 21<sup>st</sup> year, the Sanctuary Wildlife Awards have become more relevant than ever before because across the world the realisation has dawned that the economies and the existence of humans is dependent on our ability to protect Earth's threatened biosphere.

This year, the Sanctuary Wildlife Service Awards and the Sanctuary Wildlife Photography Awards are to be together on the same night.
